Dear Hollingdean & Stanmer Ward Resident,

On Thursday 6 May 2021, I will proudly stand for election as the Conservative Candidate for Hollingdean & Stanmer. As a graduate of Sussex University and working in the NHS in mental health I am looking forward to listening, representing and working hard for you and all the local residents.

As your Councillor I will work to ensure:

- the protection of our urban fringe;
- an action plan for Saunders Park;
- a full review of the parking charges and residents permits in Stanmer park and beyond;
- a focus on tackling vandalism, graffiti and anti social behaviour;
- protection and care for our green spaces;
- a housing policy tailored to all peoples needs;
- better rubbish and recycling collections;
- safer roads and pavements taking into account the needs of all users including motorists, cyclists and pedestrians.

If you have a postal vote, please fill in your postal ballot paper and return it as soon as possible.

If you forget to post your vote, remember that you can still take it to the polling station on Thursday 6th May and hand it in.

If your postal vote doesn't arrive, or you have any queries, please immediately get in touch with the Electoral Services on 01273 291 999.

Thank you for your support.

Dr Emma Hogan
Conservative Councillor Candidate for Hollingdean and Stanmer
